

## IRRADIATION COMMENT FORM

**attention FDA: keep irradiation labeling!**

Re: Docket # 98N 1038,  
"Irradiation in the  
Production, Processing,  
and Handling of Food"

6 '99 JUL 19

believe the FDA should keep its requirements to prominently label irradiated packaged foods and non-packaged foods by always displaying the radura logo along with the words "treated with irradiation."

I feel alternative terms such as "cold pasteurization" are misleading and should never be used. To not be forthcoming is irresponsible & criminal.
